

2021/22 GIVING PROGRAM

FARNHAM HOME & SCHOOL CLUB

How much should I donate?

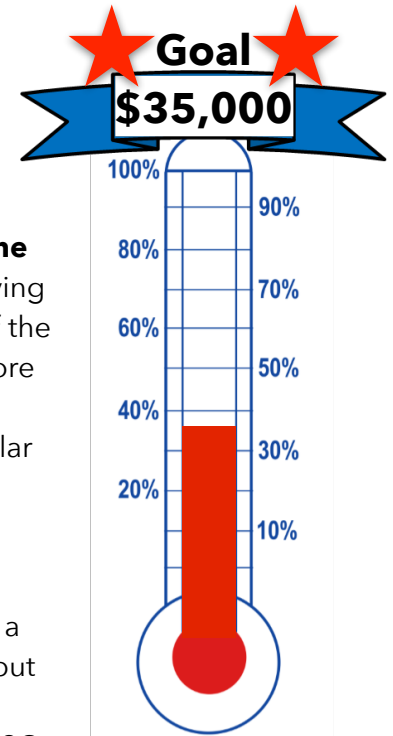

The HSC is targeting an average family donation of **\$250**. Please give what you can, as even a small donation helps support every student, class and teacher. If you are in a place to give more generously, we deeply appreciate your support! Especially during this uncertain times and budget uncertainty at the District and State level, your donation helps ensure continued support to our school community.

How can I donate?

- **Donate online:** <http://farnham-com.3dcartstores.com/>
- **Cash or Check:** Return the slip on the back of this form and your donation (cash or check) to the main office.
- **Donate via Corporate Matching** (more info on back): follow your company process for donating, and return the donation slip to school for our records.

Donate Today to Help Us Reach Our Fundraising Goal!

A **BIG THANK YOU** to the families and corporate sponsors that have already contributed generously to this year's Giving Program. **After one month of school, we have raised \$13,320 and are 38% of the way to our \$35,000 goal.** The Giving Program is the largest fundraiser of the year, and we need your support more than ever. Please help us reach our goal before October 31 - every dollar counts!

As a 501(c)3 non-profit under the Cambrian Educational Foundation (CEF), the Farnham HSC is not only a community building organization, but also the primary fundraising arm to support the school. The Farnham HSC puts these donations to work funding many school activities not included in the district budget, including art, theater, track pack, assemblies, field trips, the maker space, technology, classroom supplies, teacher support, and more. This year, we are emphasizing direct student support to bring more hands-on art programs into the classroom, as well as an investment in playground equipment and the outdoor learning spaces, and we hope we can host some fun community events when it is safe to do so!

Our Giving Program is necessary to support activities that are not funded through the school district budget. Last year, we raised over \$45,000 for our school through the generosity of our parents and corporate matching sponsors. Please consider a generous donation to support our school. Every dollar raised goes directly back to support our students and teachers!

Farnham Home & School Club Budget

The HSC works with the school administration, teachers, and parent community to set budget priorities and fill in gaps in the school site budget. Every dollar raised by the HSC is invested back into our school. If you would like more information about the Farnham HSC budget, we encourage you to attend our monthly meetings for the latest updates, to get involved in the planning process, and to make your voice heard. Your support is a valuable part of our school community and we welcome and encourage new volunteers!

Corporate Matching

Many local employers will match the contributions of their employees to nonprofit groups. Farnham HSC, part of the Cambrian Educational Foundation (CEF), is a 501(c)3 nonprofit entity, **TIN #77-0448212**, eligible to receive matching grants. If your company offers matching contributions, please take advantage of this opportunity. Last year over \$15,000 came from corporate matching sponsors! If you are unsure if your company participates in corporate match, please ask your HR or Community Relations department. Some companies that have provided matching donations in the past include Apple, Applied Materials, Cisco, eBay, Facebook, Google, Intel, Netflix, NVIDIA, Oracle, Qualcomm, Samsung, SAP, Silicon Valley Bank, VMware, & more!

All Donations are Tax Deductible.

The HSC will automatically provide a receipt for your tax records if your donation is over \$250, or you have indicated company matching. These receipts will be emailed or sent home by the end of the calendar year. Please email farnhamgiving@gmail.com with any questions.
