

What is Track Pack?

A Farnham recess program that encourages our kids to run laps and get some energy out! The laps are counted and the kids earn prizes. We track the distance run and see where we could go on a world map!

Notes about 2021-2022 School Year: Usually, we start track pack the beginning of October but it's all Covid, weather and air quality dependent. In years past we have had track pack Monday, Wednesday and Friday. That being said, whomever takes over running the whole program can change it up and do whatever they want with it. Be creative.

All Volunteer Roles comes with support from Home & School Club. The HSC Volunteer Coordinator works on campus and will be available for support as well. Please contact Kathy at farnhamhscvolunteer@gmail.com if you are interested or have any questions.

Volunteer Needs/Descriptions

Coordinator: Includes creating the schedule, managing prizes, giving weekly updates on how many miles have been run, giving out big miles prizes at assemblies, and supporting the other volunteers. The volunteer coordinator helps coordinate volunteers for each track pack day. The former Coordinator has offered to meet with the new coordinator to help in anyway needed!

Lap Card Volunteers: When allowed on campus, will punch lap cards and hand out mileage prizes.

Lap Card Data Entry: Collect completed lap cards from school and update spreadsheet with laps run by kids.

Prize Coordinator: Purchase and organize Prizes. Will be provided a budget and work with coordinator to purchase prizes and provide to Coordinator to hand out to the kids.
